

## A Host Hotel Stay is your gift to SVCA!

Hi Everyone!

Your stay at the Host Hotel during the SVCA National Specialty in June, is rather special. In addition to your check-in location, it is the hot spot for Specialty activities including our banquet. *And* your reservation will help bring a fine Breeder Judge to America for this special event!

Mr. Christopher Millard has just been approved by AKC to judge our National Specialty. Mr. Millard was the Specialty judge for the Finnish SV Club, as well as the Canadian SV club. He has also judged Swedish Vallhunds at the Championship Show in England.

He has been "in" the breed since 1980, and was approved to award Championship points in 1995. Mr. Millard has been showing and breeding SVs for the past 30 years, as well as working closely with respected SV breeder, Jacqui Bayliss.

Please welcome Mr. Millard at our Swedish Vallhund National. Come stay at the Host Hotel La Quinta Inns and Suites of Flagstaff Arizona in support of this event and in honor of our foreign judge. With enough participant room reservations, the lodging for our judge will be complimentary to our club courtesy La Quinta!
